When asked for your visa proof, use the UK government's 'View and Prove your Immigration Status' online service. It's quick and widely accepted. More information:

Budgeting Tips

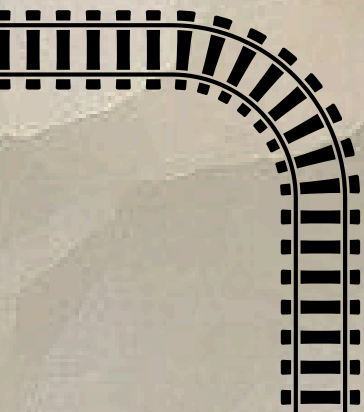

TRAVELLING AROUND CAMPUS

- Cycling and walking are popular ways to get around campus. Paid rental bikes are available for convenience, and you can buy affordable second-hand bikes during the freshers' sale.
- Book an Uber/Bolt to travel off campus late at night. Black cabs are also available if needed.
- Late-night buses are available until a certain time and can be a cost-effective commuting option once you adjust to university life.
- Use the buses at University Interchange to travel to nearby towns like Coventry and Leamington Spa, with departures every 15-30 minutes. (U1 and U2 buses go to Leamington Spa, while the 12X is the main bus to Coventry.)
- Walking late at night? Explore campus safely with these tips:
 1. *Safety checkpoints are located around campus.*
 2. *Campus security, managed by Warwick Community Safety, is available 24/7.*
 3. *Contact them at 024 7652 2083 (ext. 22222).*
- The campus map can be accessed via the 'MyWarwick' app, a handy tool for when you are getting late for lectures or lost on campus.

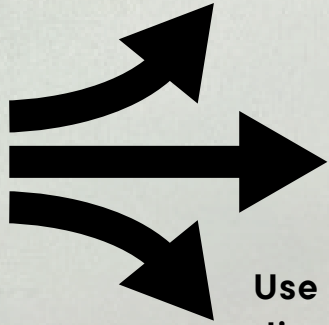

INTRA-UK TRAVEL GUIDE

- The most common form of travel within the UK is via train.
- You can purchase train tickets on TrainLine (<https://www.thetrainline.com>)
- It is advised to purchase a rail card (which subsidises train ticket prices) as you will likely save a considerable amount of money if you regularly travel to and from other cities. More information: <https://www.railcard.co.uk>

TIPS TO MAKE MONEY AT UNIVERSITY

Campus Eateries -

WIF'S REVIEWS

3

Trishas at Rootes

While it's not as good as home-cooked food, we accept that laziness is part of student life. When you're tired of bread, pasta, or pizza and don't want to cook, Trishas is always there for a decent Indian meal.

Benugo

Student dining but make it fancy! Mainly people eat here because of its central location, and the fact that the ambience is nice. The food itself passes as decent, and the pizza at least is worth trying. (Our coordinator believes the garlic bread on the menu is basically a naan, so try it for yourself)

Adam's Kebab Van

Adam's Kebab Shop is your go-to spot when you're desperately in need of something hot and tasty after a marathon study session or when you've had one too many at Pop (trust us when we say we've all been there) and need to soak up the regret with something fried and greasy.

Fusion Sports Bar

If you are a sports fanatic or just like a good hearty burger, this place is the best fit for you. Some of your best college memories might just be screaming your heart out with strangers as you watch your favourite team clinch the tournament!

Caffe Nero

Good Coffee, membership discounts and comfy couches to sit and study when you're in the FAB. Need we say more?

Ganpati Catering/ Anna's Dosa Stall

Every single individual on campus, regardless of whether they are Indian or not, will tell you that they only know the location of the computer science building, because our beloved dosa stall is right next to it. Anna's honestly a saving grace when it comes to decent Indian lunches on campus.

WBS Cafe

Need a place to watch lectures and grab a bite to eat? Well then I don't think you have to look any further, as this place basically exists for that sole reason. WBS students we know where to find you in exam season, where you try to cram all the lecture content during the day.

Pret A Manger

BRING BACK THE SUBSCRIPTION! From being literally the most claustrophobic and busiest place on campus you would fight to enter just to make use of your five drinks a day to now being the one who got away...

The Library Cafe

The actual closest thing to a canteen that Warwick actually has. If you are jealous of your friends based in America or India who don't think twice about what to eat because their canteen always has enough options to satisfy their culinary curiosities, don't worry you can get the same experience here! (not for dinner, only lunch)

SHOPPING

IF YOU'RE AN INTERNATIONAL STUDENT STAYING IN A WARM AND TEMPERATE PLACE, CHANCES ARE YOU DO NOT HAVE THE **WINTER WARDROBE** REQUIRED TO SURVIVE BRITISH WINTERS (TRUST US WHEN WE SAY IT GETS... CHILLY - THINK **-3 DEGREES CELSIUS**). HENCE AN ESSENTIAL ITEM OF CLOTHING TO BRING TO UNIVERSITY IS A **PUFFER JACKET, PARKA OR A WARM COAT** AND WE SUGGEST THAT YOU **SHOP FOR ONE IN THE UK** ITSELF AS YOU WOULD HAVE A WIDER SELECTION TO CHOOSE FROM. WE WOULD SUGGEST SOME OF THE FOLLOWING:

UNIQLO

A GREAT BUDGET
OPTION FOR
DOWN AND
PUFFER JACKETS!

PRICE RANGE

£70 - £140

SOCIETIES

Intro To Uni Societies

Societies are the best place to explore new interests, connect with new people and hone your current talents. There are several societies you can join on campus such as academic, sports, dance, cultural and many other societies. They help you connect with like-minded people and gain important skills and insights.

WARNING

Be wary of potential scams and tickers for fake events circulating online and via WhatsApp groups. Beware of spiking and any other suspicious behaviour in clubs and bars. Have fun but always remember to stay safe and aware of your surroundings.

The prices to expect

You will need to pay an initial fee to the Warwick Student Union (SU) of approximately £60 to be able to join any society. Each society also has its own membership fee (normally around £0-£5). To be able to join sports societies, you will need to pay an additional initial fee of approximately £100.

ALL OF THESE WILL BE AVAILABLE ON THE WARWICK SU WEBSITE. MORE INFORMATION:
[HTTPS://WWW.WARWICKSU.COM](https://www.warwicksu.com)

TIPS

Make sure to attend all Fresher Week events (**especially the societies fair**) to know more about what every society has to offer.
